NOTIFICATION.

No. 531 E/39-2 *Dated the* 3-4-39

An application has been made to Government by the Udipi Electric Supply Corporation, Ltd., the licensees under Udipi Electric Licence, 1937, for the grant to them of the powers of the Telegraph authority for laying high tension electric transmission line from the power house at Udipi to the industrial factory at Manipal along the route shown in red in the map submitted with their letter No. U. 270/39 dated 8-2-39 (as revised by EIG)

It is proposed to confer upon the applicants the powers which the Telegraph authority possesses under sections 10 to 19 and 19-A of the Indian Telegraph Act, 1885, subject to the following conditions:—

(1) The line shall be run as far as possible in a straight line along the route marked in the map.

(2) The telegraph and telephone lines, if any, crossing the power line shall be efficiently guarded to the satisfaction of the Telegraph authority and the Chief Engineer for Electricity and all such crossings shall be at right angles or as nearly at right angles as possible.

(3) In all cases where the telegraph and telephone lines are diverted or altered at the request of licensees the cost of such diversion or alteration shall be borne by them.

(4) No distribution shall be effected from the transmission line.

2. Every local authority, company or person desirous of making any representation in respect of the application may do so by letter addressed to the Secretary to Government, Public Works Department, Fort St. George, Madras, within one month of the date of this notification in the Gazette. A map showing the route of the proposed line will be kept for public inspection at the following places :—

Licensee's office at Udipi

Municipal office at Udipi.

3. The licensee should keep copies of the Map showing the proposed route at the offices specified.

The Secretary,
Public Works Department,
FORT ST. GEORGE,
Madras.

Dear Sir,

Sub:- Powers of telegraph authority as per Section 51 of the Indian Electricity Act.

We beg to submit herewith our application for conferring on us the powers of telegraph authority as per Section 51 of the Indian Electricity Act, for laying a transmission line from our Power House at Udipi to the Industrial Factory at Manipal situated in the area of Licence granted to us as per the Udipi Electric Licence 1937. We are sending you enclosed herein two copies of the map of the area wherein the proposed transmission line--11 KV--is clearly marked in red line. An agreement has already been entered into with the Manipal Industrial Factory and the transmission line has to be laid immediately. We therefore request that the route may kindly be inspected as early as possible and the powers of telegraph authority conferred on us.

We beg to remain,
Dear Sir,
Yours faithfully,
For The Udipi Elec. Supply Corpn. Ltd.,
The Mechelec Engineering Co. Ltd., Mg. Agents,

MANAGING DIRECTOR.

ABSTRACT.

Electricity— Udipi Electric Licence, 1937,—Erection of high tension lines from the power house to Manipal —Powers of Telegraph authority—Granted.

Public Works ~~and Labour~~ Department.

G.O. Ms. No. 1219, dated 13-5-39

READ—the following :—

Notification No. S 31 E/39-2, dated 3.4.39

ORDER :—

In exercise of the powers conferred by Section 51 of the Indian Electricity Act, 1910 (as amended), the Government are pleased to confer on the Udipi Electric Supply Corpn. Ltd., the licensees under the Udipi Electric ~~Electric~~ Licence, 1937, for laying a high tension electric transmission line from the power house at Udipi to the industrial factory at Manipal along the route marked in red in plan the plan submitted with the licensee's letter No. U. 27039 dated 8-2-39 (as revised by the Electrical Engineer) the powers which the Telegraph authority possesses under Sections 10 to 19 and 19-A of the Indian Telegraph Act (XIII of 1885) with respect to the placing of Telegraph lines and posts for the purpose of a telegraph established or maintained by Government or to be so established or maintained. The exercise of the powers hereby conferred is subject to the provisions of the said Indian Telegraph Act and also to the following further conditions :—

(1) The transmission line shall be run as far as possible in a straight line along the route marked in the plan.

(2) The telegraph and telephone lines, if any, crossing the power line shall be efficiently guarded to the satisfaction of the Telegraph authority and the Chief Engineer for Electricity and all such crossings shall be at right angles or as nearly at right angles as possible.

(3) In all cases where the telegraph and telephone lines are diverted or altered at the request of the licensees the cost of such diversion or alteration shall be borne by them.

(4) No distribution shall be effected from the transmission line.
